NINETEEN HUNDRED EIGHTY-SEVEN

-Mark,

I'm so glad that I meet you. You are the sweetest guy that I have ever met. You have been a great support for me. You and your friends help cheer me up when I'm down. Just seeing your smile brightens my day. I'm really going to hate to see you go. I wish I could have known you longer. I wish you lots of luck in college. Hey! Don't forget me!

Remember we have the same color glasses?

E.M. SUTTON (1987)

Hey dude! ☺☺☺
I have enjoyed my 4 yrs. w/ you and will truely miss you. Thank you have a great sense of humor, you have a great future ahead of you and I wish you the best in everything you do. But I hope the best blesses you in every way because you deserve the best in life. God Bless you.

Mark,

What's up? Its been a trip knowing you for many many years. I have enjoyed working with you in the company (Billeys) and I have valued all your advice over the years. Continue to do well in school. Always remember that you can't pull a fast one on me. Stay away from Detroit. Life in Carolina is like.

Will '87 864-3104

"Expensive but worth it!"

P.S. I know not here, you!

Mark,

What's up.

U're annoying & a total jerk, but there's some-thin' 'bout U that I almost in a way sorta like. U're kool - Oh no, I just gave U a com-pliment. Oh well.

Love Cassie "88"

Mark,

What's it feel like to get out of this place? Must be great. You are really a nice + sweet guy. Stay that way always. Good luck in college, but I know you'll be a success.

luv,
CeAnn Yates "88"

My Dearest Mark-

"Slap me with your tongue"

Over the past 4 years and more even in Geom I have known you and seen you. I am tired of seeing you and I am glad you are finally graduating.

Mark we have had some good times and we have had some bad times. Sometimes (once in a blue moon) we were actually close. Through me you became really cool with Shelley and now she is your Prom 87 date !! Shut up

We have really came a long way You still get on my nerves and I hope you never forget that.

Mark - may all your hopes and dreams come true and your future bright.

"Dont be a Fool"

P.S. Dont forget us next year,, "The class of 88" graduation.

See You.

Too Live Mark!!

Mark,

Guess what! We are
through here until our Class
Reunion - five years from
now. You've been a really
good friends since freshman
year. I hope we continue
to be friends.

# Spirit Commemorates 35 Years of Teaching

Mr. Robert Watson, the Elder Statesman of Shrine High School, is celebrating his 35th year of teaching and 32 of those years have been spent at Shrine. He is a man with many interests and hobbies ranging from spending time with his grandchildren to riding his motorcycle.

Mr. Watson grew up in Windsor, Ontario. He attended University of Toronto and Wayne State University. At the age of 28, he became a United States citizen and enrolled in the University of Detroit. In 1968 he received his Masters in Education. Mr. Watson got married in 1956 to his wife, Lilly. They have two children, Robert who is 24, married and the father of two, and Lisa, who is 19 and a college student. The Watson's enjoy traveling and spending time with their grandchildren, Erin 4, and Robert, 2. Mr. Watson is particularly proud of his role as "Grandpa".

Mr. Watson is a man who is loved and respected by everyone at Shrine. The classroom atmosphere he creates is relaxed and enjoyable but at the same time it's effective for learning. At Shrine Mr. Watson has taught History, religion, Latin, sociology and economics.

The Yearbook Staff celebrates Mr. Watson's 35 years of teaching by dedicating the 1987 yearbook to him. We look forward to many more!

# Administration Constructs Success

Following the theme "We Teach Success", the administration helped make the 1986-87 school year a year of interest. Most don't realize the hard work put in by the administration staff. Long hours at school, as well as several hours of overtime helped put together a great school year.

Probably the most notable change of the school this year was the remodeling of the front porch. Started during the summer of 1986, construction workers slaved to add another point to highlight Shrine.

Mr. James MacDougall, Dean of Students, said, "The main objective of the administration is to work with faculty, students, and parents in operating a top-rate Christian centered educational institution." Shrine, through the help of its staff, has definately achieved this goal.

All of the administration's hard work has paid off. Academics, as well as student activities, have been successful thanks to much help from the staff. The 1986-87 school year will be one that sticks out in Shrine students' minds as a year of learning, growing, and much excitement.

MR. THOMAS KIRKWOOD, Principal, in a momentary pause of thought, thinks about the work that lies ahead of him.

AS PART OF her daily routines, Miss Kathleen Walker, Associate Principal, gives interesting and informative announcements.

MR. JAMES MACDOUGALL, Dean of Students, laughs as he speaks of reality to Seniors in one of his marriage classes.

FR. EDWARD PRUS, Pastor of Shrine Church, visits the High School often, expecially for all school masses. A warm smile can always be seen on his face.

BUSINESS MANAGER, Mr. Mike Harper, and his secretary, Mrs. Amy Becker, work together as a team to get their jobs done.

MR. JIM WIEDMAN, Development Director, is a new and welcomed addition to the administration at Shrine.

WITH EXTREME ENTHUSIASM, Mrs. Valerie Barnes, Public Relations Director and Alumni Director, finishes an edition of "Shrine Today".

# SHS Library - Books On The Wall

"The library? Oh yeah, that's were I sleep second hour!" Although some Shrine students used the library only for a rest area, it was actually much more. The library was a good place to study but it was also an excellent resource center. Many new resource books and fine literary works were added this year. During August, a number of Shrine's resource books were ruined by water. Luckily, the damaged books were replaced by insurance.

The library also houses a number of learning aids such as: four video cassette recorders and two televisions. These aids could be signed out by any teacher for class use. Also there was a large screen television in the library which was helpful for many classes.

The dedicated library staff kept everything running smoothly. Mrs. Gloria Kaczmarek was head librarian, and well qualified for the position. Her assistant was Mrs. Barbara Myler. Other library workers included Freshman Trina Epperson, Sophomore Matt Tracey, and Junior Susan McGraw. These workers received one quarter of a credit for their work.

MRS. KACZMAREK WORKS constantly. She was so busy she didn't have time to stop and get her picture taken!

JUNIOR BILL BIGLEY just loves to do Chemistry homework in the library. He displays his great affection for the subject with a big smile.

MRS. BARBARA MYLER pauses a moment to bestow a big smile. Mrs. Myler works diligently every day in Shrine's library.

THE COUNSELING DEPARTMENT for the 1986-87 school year consists of the following: Ms. Nancy Fischer, Mr. John Frankhart, Mrs. Lorraine Driessnack, Secretary to the Counseling Center, and Mrs. Sheryl Krasnow, Head of the Counseling Department. The counselors go out of their way to help all students with academic and career choices.

GETTING YOUR ACT forms in on time is important. Junior Cynthia Carlson listens on with a smile as Mrs. Krasnow explains the test dates and test center locations.

AFTER AN EXHAUSTING day of counseling appointments, Mr. Frankhart takes a breather, then goes on to tackle the Senior college applications.

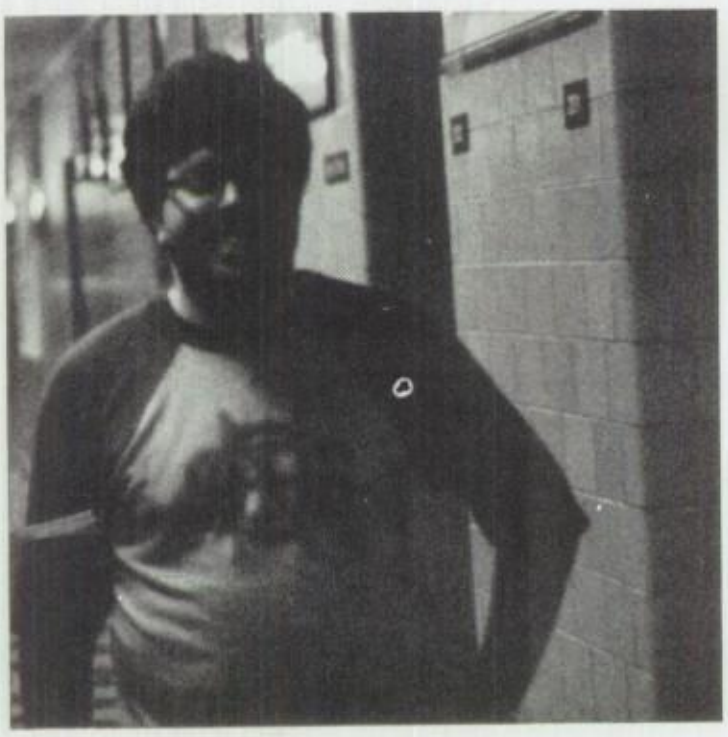
# Maintenance Staff Keeps Up the Walls

Layout by: Anna Burns

"Hey, need a light?" A light blub this is. Shrine's maintenance staff has filled that need and many others during the last year. The staff worked long hard hours repairing electrical fixtures and keeping Shrine looking like the quality school that it is by painting, building, and repairing; they did it all.

The maintenance staff, consisting of eight devoted workers, also took care of cleaning the school. They made sure Shrine was clean all throughout the year. The staff was made up of the following workers: Jay Mader, Bill DeMerle, Aidan Foley, and Kieth Pugh. Three Shrine High students also devoted time to the school maintenance: Senior Tina Thomas, and Juniors Keegan Key and Christopher Burke. Shrine High was all the better thanks to the devotion and hard work of the maintenance staff.



MR. JAY MADER pauses for a moment in his repairing of the East Wing door. Mr. Mader is extremely skilled.

MR. BILL DEMERLE is taking a coffee break, and a well deserved one considering all the hard work he does each day.

MR. LENNY PACZKOWSKI WORKS diligently every evening to keep Shrine looking great.

MR. AIDAN FOLEY starts his day the Dannon Yogurt way.

SOPHOMORE KEEGAN KEY sweeps in the cafeteria after school hours.

# Lunch Moms Feed SHS Students

At 8:00 each morning the kitchen lights clicked on and nine dedicated kitchen moms filed in. We could consider these ladies to be moms because only mom would cook so well for so many with so little appreciation.

These ladies were Mrs. Grace Ross, and Mrs. Ann Mares, who manage the kitchen; Mrs. Kay Winslow, Mrs. Freida Samaryjia, Mrs. Nalina Frina, Mrs. Evelyn Marx, Mrs. Marcia Barrows, Mrs. Ann Owen, and Mrs. Pat Topolewski, who cooked, baked, and served lunch to Shrine students everyday.

Each day these women worked to feed Shrine students and many times they did not receive the recognition they deserved. On behalf of the student body — Thank you ladies!

# Parent's Clubs Help Auction

Shrine High School is very proud of the many hard-working parents of the students that make up the Mother's and Dad's clubs. These clubs provide many extra services which help the students in a variety of ways. The Mother's Club is always willing to help at school functions, and there are many willing dads at the basketball games to take money. These profits are later given to the school to make improvements.

Many parents also took time out to help and attend the 1986 The Knight Before Christmas auction. Heads of the committee, Mr. and Mrs. Mike Klosinski as well as chairpeople Mr. and Mrs. Bill Burt are prime examples of willing parents who achieved success.

# FRESHMEN

# Freshmen Reach New Heights

The definition of the word FRESH is: having original strength, vigor, quality, taste; spontaneous and stimulating; brisk, strong, and bold. The class of 1990 truly exhibits these characteristics as Freshmen at Shrine High School. The first step to any process is always a difficult one, filled with insecurity, awkwardness, and intimidation. The first step of high school was not this way for the class of 1990.

We responded in a fresh fashion. We had original strength, spirit, and vigor during "Welcome Week." We were original, brisk, and spontaneous when Homecoming rolled around. Even though we were unaccustomed to making floats, our spinning top came in second place. This triumphant float would have been just a dream without our original and cooperative attitude which was supported by the constant hard work of our moderators, Sr. Nancy and Mrs. Kirkwood.

By all of these examples, the class of 1990, truly portrays the word "FRESH." As the Sophomore year draws near, we set new goals and look forward to future years at Shrine. Though we shall no longer be Freshmen, we will continue to exemplify the word "FRESH" and use this year to build on.

# Tradition That Is Off The Wall

Freshman initiation is a tradition here at Shrine. Every year, the new "babies" of the school are asked to participate in various activities planned by the Seniors. A few of this year's activities were nametag day, baby day, and balloon day. The purpose of initiation or Welcome Week is to make the freshmen feel comfortable and also to feel as a part of Shrine, and to get to know the upperclassmen.

# Faculty Focus On "Living" Free

The Religion Department is focusing on helping the students "Live" their religion. Mrs. Lee Ann Louis-Prescott, Chairwoman of the Religion Department, said, "We are trying to teach the students to treat others the way they would like to be treated." There were new additions to the department this year. Three new teachers, Mrs. Angie Mattera from Saint Lawrence, Mrs. Marsha Miller from Bishop Borgess, and Mr. James Rafferty from Grand Valley. Mrs. Miller is the Campus Minister this year.

# English Enlightened by New Faces

The English Department received a few additions to their teaching staff but the courses still remain the same. The English courses help to enrich life for the individual by developing personal satisfaction in reading, creative expression, dramatization, and in the enjoyment of products of the stage, screen, radio, and television.

The English Department consists of Chairwoman Mrs. Antoinette Dalain, Mrs. Ann O'Donoghue, Miss Gloria Wesley, Mr. Frank Lisjak, and the three new staff members Mrs. Mary Zolton, Mrs. Kathy Stasys, and Mr. Gary Hicks.

These teachers believe that the department does not have a lot to do with making it enjoyable but it's the students and the teachers who help to make it enjoyable. "The department has supplied me with more than enough materials and resources to help me be an efficient teacher and that's really important to me," commented Mr. Gary Hicks.

MRS. DALIAN DISCUSSES the major points that need emphasis for her Honors English Class paper on a definition of a holiday.

# New Faces Give Math New Look

Strong math experience is one of the best things to take with you into the world. Math Department Chairperson, Jackie Callanan, expressed that Shrine has expanded and strengthened its Math curriculum. Beyond the basic Math offered is: Algebra, Geometry, and Calculus.

Added to Shrine's population this year were not only the Class of 1990 and transfer students, but also a few new teachers, such as Ms. Betsy Bertelson, who teaches Algebra and Honors PreCalculus. Also, another addition is Felecia Murphy, who is a student teacher assisting Sr. Nancy.

The computer department has also expanded by adding three new computers and two new printers to encourage students to be involved in the future. The purpose of offering a Computer Science class at Shrine is to familiarize students with computers and increase their opportunity to make use of the equipment.

# Science Appeals to all Students

The Shrine Science Department prepares students for a college-bound future. Shrine offers several college prepatory courses, including the biological and mechanical sciences. Biology and physical science are classified under the biological sciences, while chemistry and physics are under the mechanical sciences because they deal with mathematics. Mr. Donald Guertin, Chairman of the Physical Science Department, commented, "The main objective of the department is to teach critical thinking and develop creativity."

New to Shrine this year, Mrs. Jane Friskey replaced Mr. Ed Tisko, who went back to college. A first year teacher, she is a recent Oakland University Biology major, and is currently working on her graduate degree. Before coming to Shrine, Mrs. Friskey previously worked in industry. She has taken on the chemistry and physical science courses.

# Shrine Students Learn the Behavioral Sciences

This past year the Behavioral Science Department decided to do something a little different. The first semester psychology classes took part in an experiment constructed by Dr. Daniel Kachman for a period of ten weeks. The students enjoyed this welcome break from the monotony of regular class.

Students are required to take a half credit of behavioral science in order to graduate. They had a choice of taking Psychology, Sociology, Child Development or Contemporary Issues, which could be taken in either their Junior or Senior year.

The Behavioral Science Department head Mr. Joseph Perrone teaches all the psychology and child development classes. Mr. George Miller teaches the sociology classes and Mr. James MacDougall, Dean of Students, teaches contemporary issues. # Social Studies Prepares Students for the Real World

The Social Studies Department courses are designed to prepare the youth for: effective world citizenship; understanding of our American heritage; and responsible understanding of world problems, their causes and possible solutions. "The department prepares students for citizenship through knowledge and understanding of the world," said Chairman of the Department Mr. Richard Pams. The Social Studies Department also consists of Mr. Louis Miramonti, Mrs. Ann O'Donoghue, Mr. Frank Reeser, Mr. Robert Watson, and Mr. George Miller. A student is required to have three and a half credits in Social Studies for graduation, which consists of one-half credit in World Today or World Geography for freshmen only, one-half credit in Western Civilization or Non-Western Studies, one credit in U.S. Studies, one-half credit in U.S. Government for seniors only, and one-half credit in an elective of the student's choice.

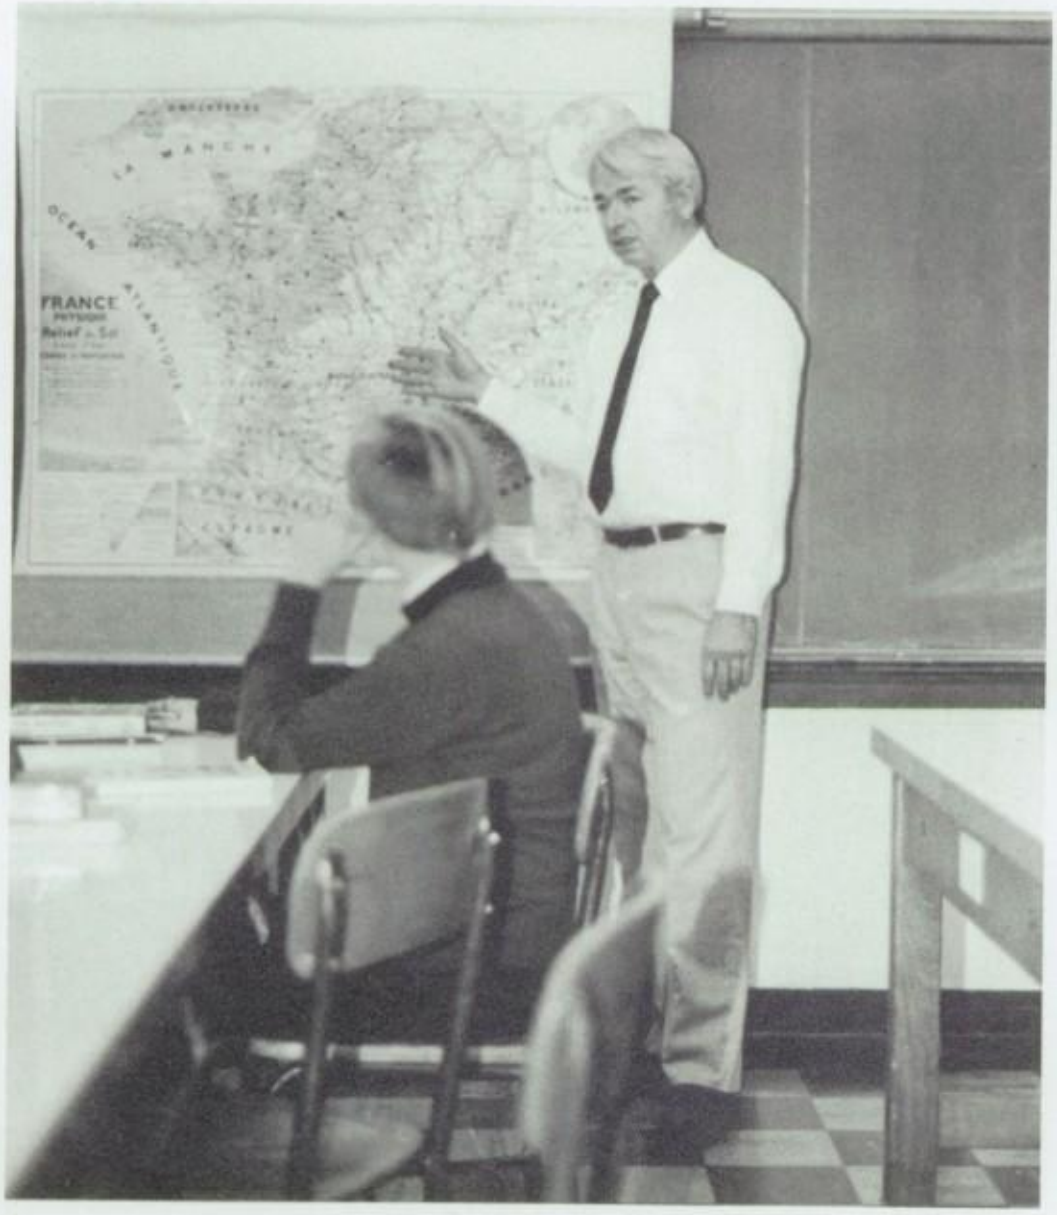
# Students Study Foreign Language



Foreign Language is a growing department at Shrine. Many students go on and take more than two years of a language, which is the requirement for graduation. French, Spanish, and Latin classes are offered to students. Shrine has acquired an excellent Foreign Language staff. Dr. Ralph Foresteri, a Professor of Language, is the chairman of the department. He came to teach French classes at Shrine in 1985. The Spanish classes are taught by Mrs. Jan Friedrich. She came to teach at Shrine in 1984. Mrs. Friedrich has a Bachelor of Arts Degree in Spanish and English from Marygrove College. Mr. Watson, who has taught at Shrine for 32 years, teaches the Latin classes. This staff provides students with a strong foundation in Foreign Language studies.

# Business: The Foundation of Our Future

The Business Department this year, headed by Mr. Robert MacDonald, gave students the chance to enhance their skills in areas such as, Accounting, Basic Business, and Consumer Studies. Mrs. Glennis Meyer, also in the department, offers Typing I and II to students.

Mr. MacDonald, if given the choice, would require every student to take a business class. He stated, "Business is what the world is all about." These courses were designed to help students become familiar and comfortable with business in this world so they may succeed in the future. As a business teacher for 26 years, he has grown to love it and wouldn't do anything else.

Mrs. Glennis Meyer also helped students become familiar with the new typewriters Shrine received this year.

"Business is a part of life," as Mr. MacDonald gets to the point.

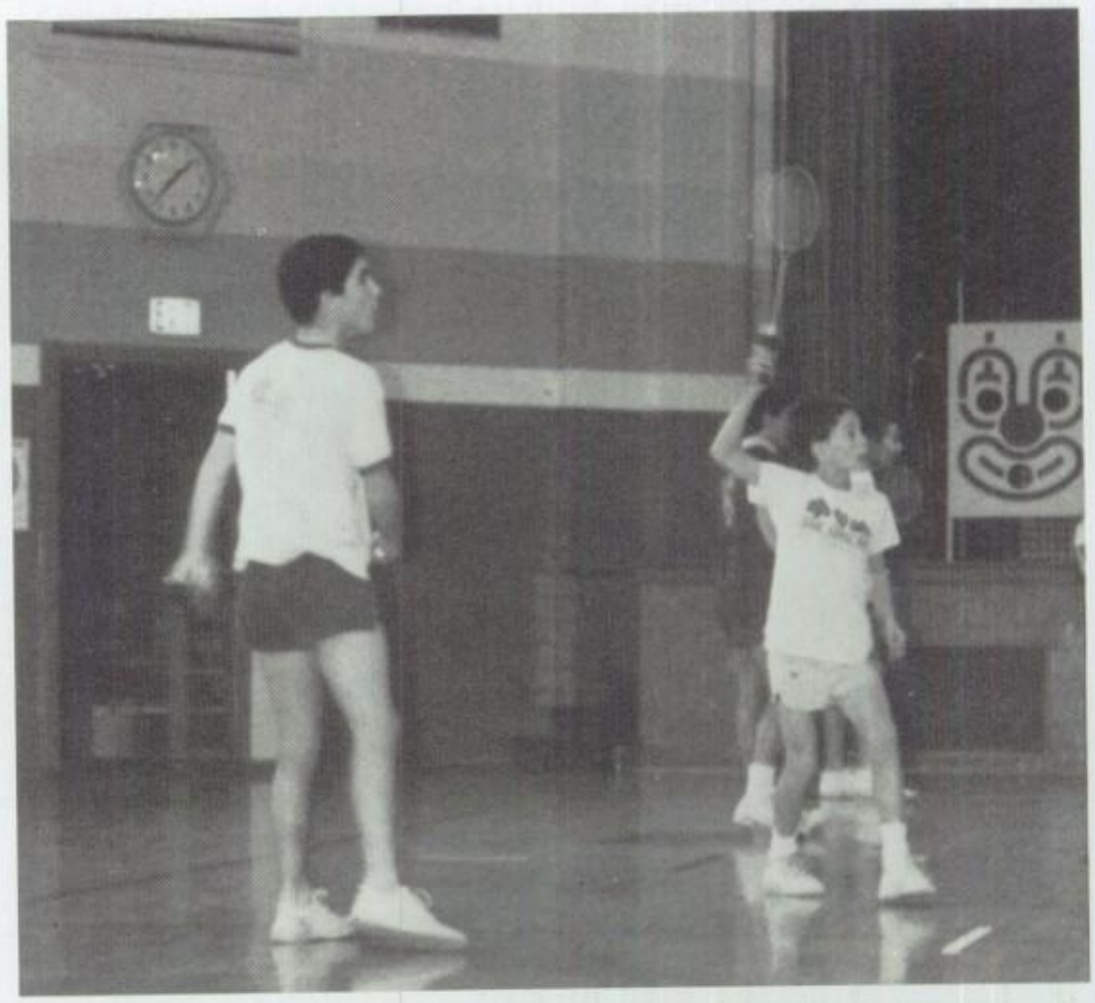
# Phys. Ed. Teaches Basic Sports

Shrine High School believes in an all around education. This means that it is not just the classroom. Physical Education and Health is a class that every student has to take to graduate. In the classroom the students are developing their minds, but in gym class a person develops their body. The students participate in sports such as soccer, football, ping-pong, floor hockey, and basketball. Ms. Linda Mueller and Mr. Frank Reeser are in charge of teaching the students how to keep in tip-top shape. Gym class is not all sport, it includes health and hygiene for a semester. Through all these activities students become familiar with their physical potentials and learn to use them to the best of their ability.



FRESHMEN MATT MURPHY and Mark Soma attempt to play badminton but they just can't hit the birdie.

# Humanities Classes

Humanities is growing at Shrine. Students are required to take two semesters for graduation fullfilments. One semester, freshmen must take Introduction To The Arts. Then students have the choice of Acting or Public Speaking. Humanities is good for freshmen to be involved in, it broadens their view of the liberal arts.

Students are exposed to different aspects of the arts through the humanities program at Shrine. Intro to the Arts introduces students to a wide variety of arts. It helps students to value and appreciate the arts. Acting teaches students how to perform. While Public Speaking teaches how to communicate.

During the 1985-86 school year a humanities series was started at Shrine by Mrs. Rashid. The series was continued this school year. Students saw acts performed by The Ivey League, a barbershop quartet and Wayne State University's Movin' Theatre, a dance company.

# Art and Drafting Students Show Creativity

This past year Shrine High School offered its students the opportunity to take a course in art. It has been an elective at Shrine for many years now. Students could take a half credit, one semester art class beginning with basic art. If they chose to continue their art education they could take the advanced art classes. Shrine also offered ceramics, weaving, and photography classes all taught by the art department head Mrs. Cathy Trahan.

Shrine also offered its students the chance to take drafting, a year long class taught by Mr. Robert MacDonald. Students learned the techniques of mechanical drawing through his extensive knowledge of the material. One full credit was earned for the class and students gained a solid background with the help of Mr. MacDonald's broad but detailed lesson plan. Students were then prepared to take further courses if they were interested in a career in that field.

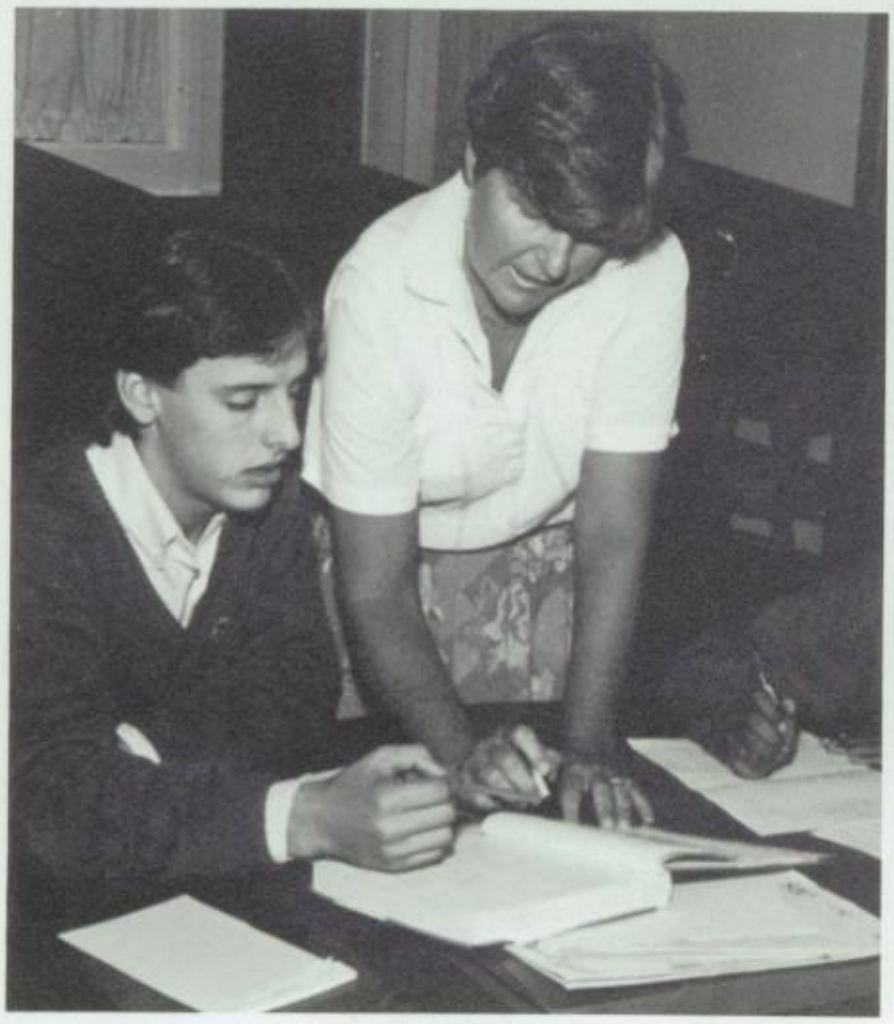
# Aid For Students at the Learning Center

For those students who seemed to have a little trouble with their classes, Shrine offered a chance to get some extra help. The Learning Resources Center, under the careful direction of Mrs. Mary Kirkwood, was established to help those students who were having trouble. Students were encouraged to go to the center for extra tutoring during their free periods. Those students who excelled in certain subjects were also encouraged to go to the center to help Mrs. Kirkwood tutor those in need. Most of the student tutors were members of the National Honor Society and therefore gained points for tutoring. They earned one half point for each hour they tutored so the center was always filled with eager tutors. Mrs. Kirkwood and the student tutors were kept very busy as everyone took advantage of the help offered to them. The service was very useful and a great backup to those who needed it.



MANY STUDENTS ARE making good use of the center as they catch up on some extra studying.

# Vocal Music Does Shrine Proud

The vocal music department at Shrine, made up of the Concert Choir, Knight Chorus, and Goliards; had a very exciting and productive year.

The concert Choir, which is a group of 48 talented Sophomores, Juniors, and Seniors, performed for Detroit area audiences at Cobo Hall, The Fisher Building, and K-Mart Corporation. They also participated in area choir festivals such as The Dondero Christmas Festival and the Marygrove Choir Festival. Performing along with and beyond the choir were the Goliards, an elite group chosen from the choir and Knight Chorus membes. The Goliards, in addition to performing with the choir, were hired out to perform at small business parties and other area events.

Both the choir and the Goliards performed in Washington D.C., the Nation's capital. The choir traveled to Washington in December of 1986 and remained there, touring and performing for three memorable days. They performed at the Old Post Office Pavillion, The Shrine of the Immaculate Conception, The Vietnam Memorial, and finally the steps of the Capitol. They received a great honor: The Salute to Liberty Award. Shrine Choir was the first choir in the nation to receive this award. The trip was a thrilling memorable event for all members involved.

The Knight Chorus is a group of Freshmen and Sophomores who sing along with the choir bringing the chorus size to 66 members. The Knight Chorus is a young group: they represent the future of the vocal music department.

The glue that held this vocal department together was Director Ms. Mary Rashid. She saw the choir groups through practice, exciting trips, and chaotic performance schedules. Thanks to her great dedication and the hard work of the students involved the 1986-87 year was exciting and memorable for all.

# Shrine Band-Shakin' the Walls

The Shrine High band gave Shrine the beat! At each pep rally and football game, the band added pep and excitement with their rollicking tunes. The band was led by Mrs. Janet VonEberstien. Senior Mark Uldridge acted as the Band President. Students involved in the band were Seniors Alisa Anderson, Stephan Bean, and Nancy Lemke; Juniors Henry Ford, David Gorski, and Matthew Holsher; Sophomores Rocco Cercone, Marc Chennault, Kimberly Cook, Darren Danko, Christopher Martello, and Christane Mayotte; and Freshmen Melanie George, Kristopher Key, and Eric Lester.

In addition to acting as pep band; the band, which meets seventh hour to practice, was involved in many interscholastic festivals and competitions. Also, the band took a trip to Macinac Island in May to perform at the annual opening ceremonies.

The Shrine High Band had a successful and productive year.

# Student Leadership Shows Promise For Sophomores

Sophomores have shown the school that they have matured during the last year. They have developed class spirit and a willingness to stick together. They worked hard on the float and on Spirit week activities.

Our class grew even closer together on the Day of Reflection. We had a very good time that day; all of the hard work certainly paid off.

Looking at the years ahead, we can only hope that our spirit and togetherness becomes as noticable as the Class of 1987.

We again exemplified our spirit when we hosted the 1986 Holiday Dance. It was a great success and we all had a lot of fun.

We look forward to the future and cherish the past.

In the spring, there was a new sport for Shrine boys, Tennis.

The team was led by Coach Barbara Myler and Assistant Coach Pat McCuen. The team's captain, with a lot of experience, was Sophomore Brian Kulhanjian. Brian commented on the team by saying, "I think we did well for our first year as a team, and next year we will be near the top of the standings."

The team's record was three wins and six losses. Though the boys didn't grasp that many wins, they gained a lot of experience by playing some very tough teams. As Coach Myler remarks, "We have just begun to build a strong team." All the boys felt real confident as a team. As Junior Pat Kirkwood says, "We did all right this year and we're looking forward to the future."

# Teams Rally for Winning Season

The JV and Varsity Baseball Teams started off to a slow start with the Varsity winning three games and the JV only two in the first half. As the season progressed, so did the teams ability to play as one unit.

At the end of the first half it seemed quite unlikely for either of the teams to finish with a winning season. With the help of Captain Tim Balog's leadership and pitching, the Varsity turned their season around in the second half. Even though both teams fell short of .500, their seasons turned out to be very successful.

BEHIND THE PLATE, Junior Steve Quade observes his fellow teammates turning the double play. Shrine takes pride in their expertise fielding.

The 1986 Varsity Softball Team had an excellent season finishing third in their AA league and an overall record of 13-14. These achievements didn't come easy for the girls, it took a lot of self-discipline, dedication, and determination. The team's best thrill was taking two games from Divine Child. This year's team was superbly coached by Linda Mueller and Linda Jarve and the captains were Laurie Harbour, Donna Ryan, and Jenny Glynn.

The 1986 Junior Varsity Softball Team had much enthusiasm and teamwork. They finished their season with a record of 6-14 league and 7-19 overall. The girls' best thrill was beating Bishop Foley. The girls were coached by Walt Romano and Jean Caton.

# C. C. Races to the Finish Line

Despite having a younger than normal team, the 1986 Cross Country team had a good season. The team finished fourth in the final league standings. Coach Lou Miramonti commented, "We did not win as much as we would have liked, but it was a good season from the standpoint of a hard working group of runners who always did well in many very competitive meets."

This year's captains were Seniors Tim Foley and Kevin Smith. Receiving honors were Tim Foley, Most Improved Player; Tim Smith and Kevin Smith, All-League; and Tim Foley, All-Catholic. The team was led and encouraged to their victories by Seniors Tim Foley, Tim Smith, Kevin Smith, and Rich Mackie.

# Girls Tennis Team Bounces Back

The Girls' Tennis Team had quite a progressive second year at Shrine. All of the girls showed great improvement in experience, ability, and conditioning.

The team's record was six wins and seven losses. They also came in fifth place in the Catholic League Division. The girls played various teams which helped them gain more experience and, most importantly more wins.

Leading the team, Coach Barb Myler and Assistant Coach Pat McCuen worked very hard with the girls from summer till the last day of the season. As Coach Barb Myler comments, "The girls did a tremendous job this year; win or lose they fought hard!"

There were three girls who won various awards from the team. Winning "All League" were Freshman Angie Myler and Sophomore Pam Myler. Receiving "All Catholic" honors was Senior Beth Beaufore.

TRYING TO KEEP warm on a cold day at the Regionals are: Coach Barb Myler, Sophomore Pam Myler, Seniors Beth Beaufore, Helene Howlett, Sophomore Koreen Randall, Freshman Beth Wischman, and Sophomore Stephanie Rankin.

# Golf 87 - Strives and Drives to Victory

"Shrine had a golf team?" A typical freshman question. Of course Shrine had a 1986-87 golf team, and a successful one at that! Although few students were able to follow the golf team, these unsung athletes, coached by Mr. James Saber, drove, birdied, and putted their way through a great season.

The golf season lasted throughout the fall. After a slow start of two losses, the guys came back and won six games. In the end they had an excellent six and three record. They defeated some very tough competitors from schools like Aquinas, University of Detroit, Bishop Foley, and Divine Child.

The end of the season brought a second place rank in the league for Shrine and one all-league honor to Junior Brian Sullivan. On the whole, it was a great year for Shrine golf.

# Lady Knights Have Fine Season

The 1986 Lady Knights had a very impressive season. Although they had their ups and downs, head Coach Linda Mueller led the team to an outstanding 14-9 record.

The Lady Knights practiced long and hard because they knew that they had the potential to have a winning season. The Lady Knights work on being aggressive on offense and being patient on defense. Seniors Maureen Murphy, Jennifer Petts, Amy Massucci, and Danielle Smith have all been on the varsity squad since their sophomore year so they know the season pressure well.

Receiving awards were Danielle Smith receiving All-Catholic and All-League, Anna DeCarolis receiving All-League and Amy Massucci receiving All-Academic.

# J. V./Frosh Girl's Basketball Teams

This past year at Shrine, a lot of hard practice, patience and determination made the Junior Varsity and Freshman Girl's Basketball Teams rather successful.

The Junior Varsity team consisted of eleven players, four of which were Juniors and the other seven were Sophomores. The Freshmen Team was rather small this past year with only eight girls.

The Junior Varsity team was coached by Ann Massucci and Jeanne Reddie, and the Freshmen team was coached by Mr. Bill LaGault and Mr. Al Claremunt.

# Shrine Soccer Makes Their Mark

This years soccer team is the best team Shrine has ever had. The soccer program has only been around for about 5 years and this year's team achieved the best record of all the teams in the past. Shrine's team record was 14-1-3. The success of the team was the talent and experience all the players had. The soccer team had all the starters back from last year except two.

During the league play Shrine only lost one game and tied one game, both of these were to Bishop Foley. The soccer team went to the District finals for states but loose three to one.

All league honors were awarded to Mark Reaume, Jason Lubanski, Thom Damon, Scott Burt, Bob Salter, and Jim Robinson.

# Swimmers' Spirit Is Off The Wall

The 1986-87 Girls' Varsity Swim Team had a fantastic season. With the anticipation of finding a new coach, the girls were blessed with the talent and time of Coach Michael Bernacchi. The team started practices in late August and they continued every day after school and sometimes in the mornings until early December. Mike brought some techniques that he had learned from teaching a championship team which he also coached during the year. With this plus, every swimmer dropped time and improved their swimming ability. All previous Shrine records were broken, except the 100 Breast Stroke-to be conquered next season. About one half of the team qualified for the State Championship-more than ever before. Even though the team was a mere 13 members, their ability, unity, and spirit made them victorious in all their efforts. The team's main accomplishment was taking the Class B Championship. Coach Bernacchi said, "The girls worked long and hard — They swam out of their trees!"

# Shrine Knights: Over the Wall, Into the Dome

What does the Pontiac Silverdome and Shrine Knights football team have in common? The 1986 Prepbowl. This year the varsity Football team played in the Prepbowl for the first time since 1977. Under the leadership of Coach Jim MacDougall, Coach Lou Offer, Coach John Ryan, and Coach Mike Blanford, the team was able to reach their goal - "The Dome".

The 1986 Varsity Football team was composed of 19 seniors, 11 Juniors, and 2 Sophomores which gave the team an extra edge, due to the good blend of classes.

The football team was unique for numerous reasons, such as the combination of supportive parents, administration, and students.

The team attended football camp last August which helped build up their strength both physically and mentally.

With their excellent 4-1 league record and a long awaited defeat of Aquinas, this is definitely a season to remember. As a result, the 1986 Varsity Football team was ranked 2nd in the AA Catholic League and 1st by us.

# Teams Develop Valuable Skills

Although the JV and Freshmen Football teams won only a few games, their losses proved to be an aid in the development of their skills.

At the beginning of the year the Freshmen Football team was a complete squad. As a result of injuries the team diminished to only fifteen players for their last game. A key injury to their starting quarterback, Nick Leone, left the Knights in a difficult dilema. Substituting for injured players the youths learned the true meaning of the word TEAM.

The JV Team was composed of primarily Sophomores and a few Juniors who were third string varsity players. They were a valuable asset to the varsity. Each week they prepared the team for their next opponent. The squad developed valuable skills that they will need for the rest of their careers.

# Cheerleaders Break the Barrier

The 1986-1987 Varsity squad broke the barrier this year - the sexual barrier that is. Four males were added to the squad. These lucky, spirited seniors were Co-captain Chris Nelander, Mark Philips, Mike Seripiglia and Kevin McKale. Co-captains Dolores Krygier, Laurie Bilkie, and Chris Nelander led their squad to Eastern Michigan University for camp and started the season off right. The squad took first place for their sideline cheers, and also captured the "Master Key to Spirit", which is the best award a squad can receive. These spirited individuals were coached by Beth Thompson and Matt Philips.

The Junior Varsity squad, headed by Co-captains Missy Robinson and Shannon Clancy, united their squad with spirit. With the coaching skills of Beth Thompson and Matt Philips the squad developed new techniques and heightened their abilities.

The Freshmen squad, led by Captain Erin Murphy, brought new, fresh ideas to Shrine and great potential. They were also coached by Matt Philips.

# Boy's Swimming Displays Style

The 1987 Boy's Varsity Swim Team has undergone a few tough spots. At the beginning of the season, they were left with the uncertainity of a coach. However, to their benefit, coach Kim Redwood came along and lifted their spirits. Despite the small twelve member team, the boys were just as willing and ready to swim as ever. Their early morning practices as well as after school workouts helped make the team a successful one. Their tremendous spirit also helped unify them, not only as athletes, but also as friends. This group really had a special style which unified them as a true team.

# The Volleyball Team Bumps Off the Wall

The 1986-87 Varsity Volleyball Team consisted of five Seniors, seven juniors, one sophomore and one freshman and was coached by Mr. Tom Szatkowski. The team captains were seniors Colleen Moss, Jenny Savage and Nadia Babbie.

Although the teams win-loss record wasn't indictive of their talent and potential, the team enjoyed a season of competition and fun.

Five volleyball players were recognized for their individual talent. Senior, Nadia Babbie was named all League: Senior, Jennifer Savage was named All Academic: Seniors Colleen Moss, Lisa Horton and Junior Kelly Glynn were named Honorable Mention, in the catholic League.

Each team member's enthusiasm and talent contributed to a united and positive season.

# Frosh & J.V. Volly Off the Walls

The 1986-87 Freshman volleyball team, coached by Julieann Ebaugh, had a good season. The team had a final record of five and seven and the girls were positive and enthusiatic throughout the season. This positive attitude showed through in their performance.

The Junior Varsity team, coached by Lynda DeAngelo, had a tough season, with a record of one and ten. The girls remained enthusiastic despite their poor record. They made up for the losses in their determination to keep going throughout the season.

Both teams had a long season lasting from November until January and consisting of everyday practices and a lot of dedication. It was a successful year in that both teams did their best.

# Shrine Knights Conquer Victory

Shrine Knights - not a bad name for a conquering team. This year's basketball team kept a good lead in league standings due to their quick and clean style. Under the wings of two year coach, Frank Reeser, the Knights qualified for the Catholic league playoffs with a 7-3 record in AA league. Before entering the playoffs, the Knights took a strong hold of second place behind Aquinas.

During the season, the team had a few setbacks. They lost their lead scorer, Derrick Grant, to injuries but kept in the race with team effort. They also added two transfer students to the team this year, Marty Stephens, Senior from U of D, and Ed Hudson, Junior from Brother Rice. Although they were great assets to the team they were unable to start the season until January which kept them anxious to play. With support, leadership, and faith in the team, the Shrine Knights reached their unforgettable goal - Victory.

# Knights Conquer in Battle

The 1986 Freshmen and Junior Varsity teams conquered their opponents in many ways. When the season ended, the Frosh reigned victorious on top of the AA. With the JV finishing up with better than a .500 season, both teams records were excellent.

The team work was outstanding on both teams. The squads worked hard throughout the year and it paid off at the end.

The team played excellent as one unit. There is a lot of talent that will be moving up to the Varsity next year, stated Junior Varsity Coach Mike Blandford.

The leaders played an important part of the success of both squads. For the Junior Varsity team, Tony Andrus and Brian Quade were detrimental to the team's unity. Freshmen Vince Rouleau and Darrell Landrum helped form the team that won the AA.

# Juniors: The New Upper Class

We are finally Upperclassmen! The 1986-87 Junior Class has evolved from confused Freshmen though know-it-all Sophomores to sophisticated Juniors.

In becoming upperclassmen we have taken the role of leaders and varsity sport participants. We continue to sing in the choir and act in the play.

During Spirit Week we exemplified great spirit in our participation. Many of us spent long hard hours building the first place float. We continued showing our spirit in the organization of the Junior-Senior Prom and the Sadie Hawkins dance.

As we look ahead to our senior year we hope to see more success down the road. We look forward to our final year as a part of the Shrine family.

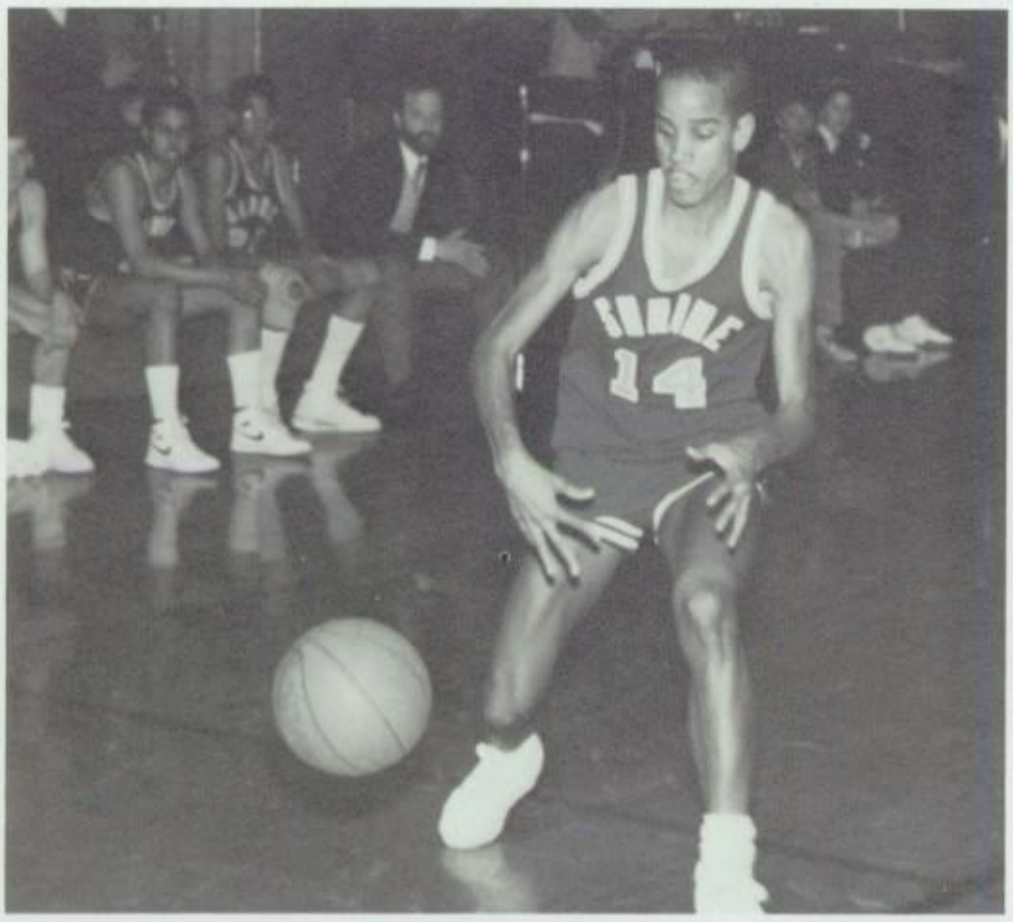
# Juniors: They Work As Hard On The Job As In School.



Why do people go to school for so many years? Why do people have to take all those stupid classes? Why do people have to only go to school for only half a year and not a whole year?

These questions are asked by everyone. Mostly the kids that are in school ask these questions to their teachers when they didn't do their homework or failed a test. The reason that people go to school is to prepare them for the real world. The Junior class is a great example of student applying the education and wisdom that they have learned in the years at Shrine High school. The Junior class is going to be adequately prepared for any job that they want to pursue.

A person may always lose a job over little thing, but a person will never lose their education.

# Juniors Grow Closer At Retreat

The definition of retreat is a withdrawl to a safe, quiet, and secluded place. Every year all the classes (Senior, Junior, Sophomore, and Freshmen) have an opportunity to participate in a retreat. The pressure of high school and just being a teenager can grow or build up on a person. The purpose of a retreat is to look at this pressure or problem in a new way. People are always surprised that most of their classmates have the same problems. After the retreat, people are closer together and will help each other for the years to come.

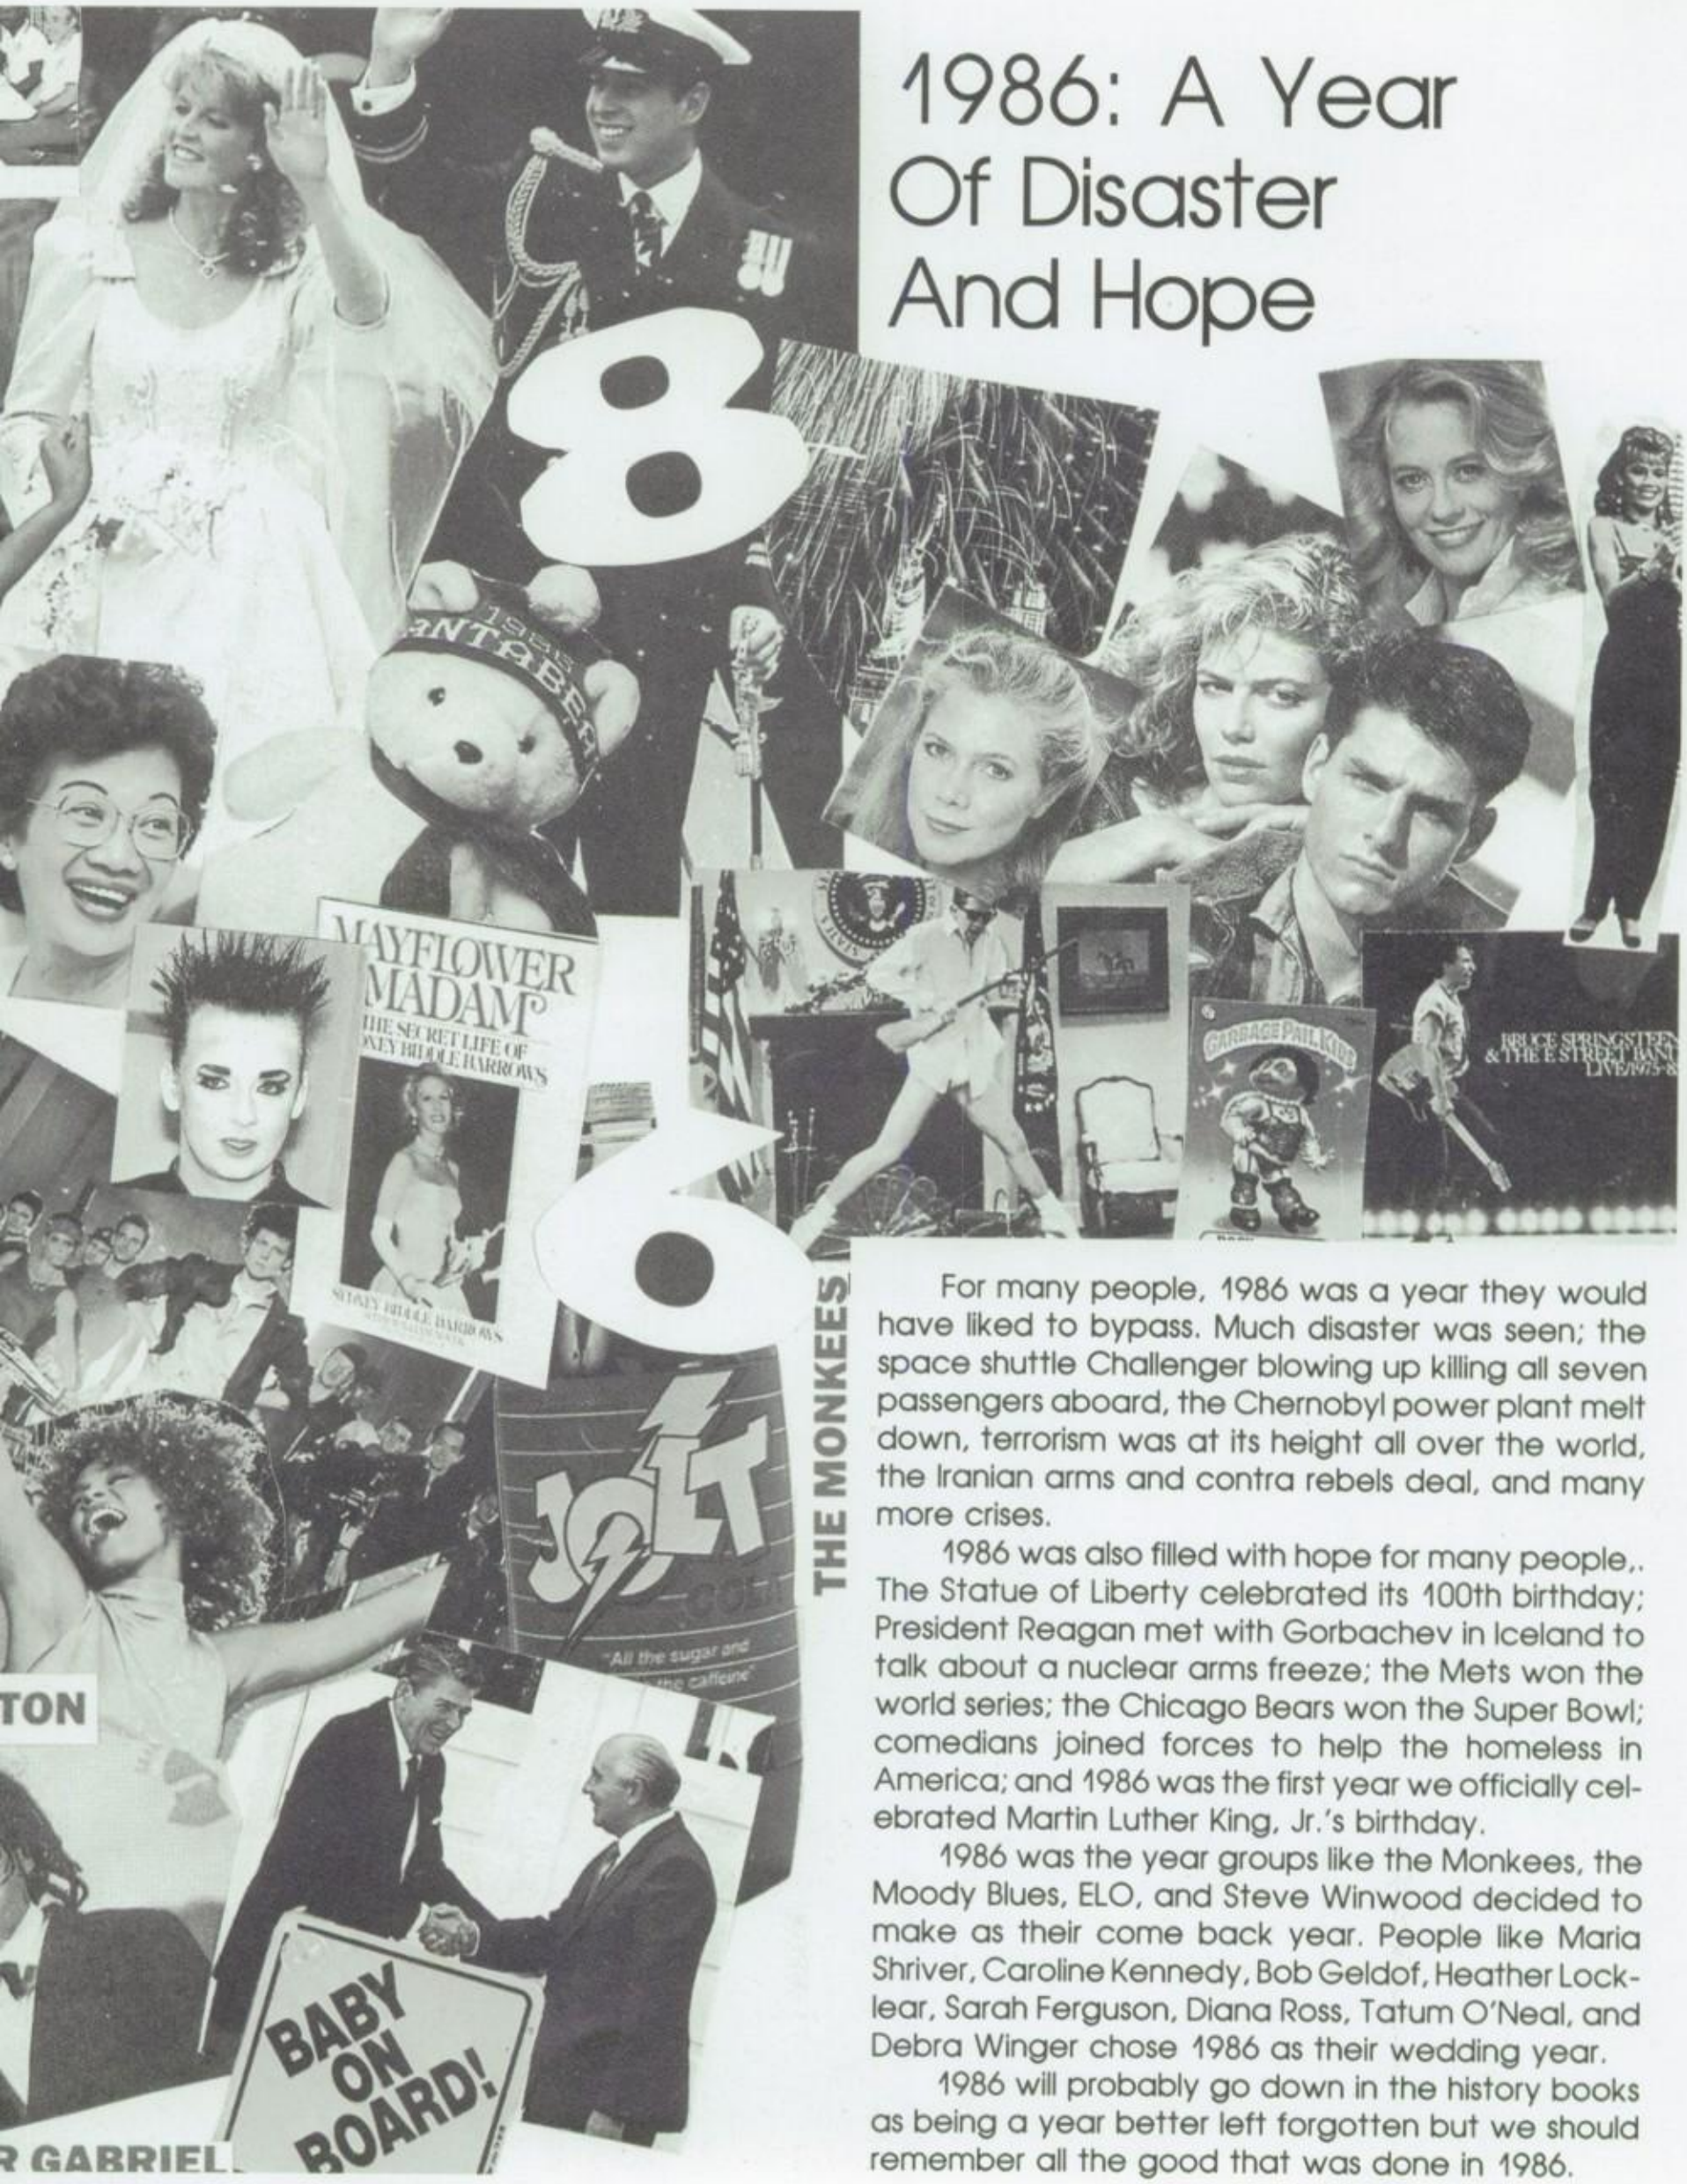
# 1986: A Year Of Disaster And Hope



For many people, 1986 was a year they would have liked to bypass. Much disaster was seen; the space shuttle Challenger blowing up killing all seven passengers aboard, the Chernobyl power plant melt down, terrorism was at its height all over the world, the Iranian arms and contra rebels deal, and many more crises.

1986 was also filled with hope for many people,. The Statue of Liberty celebrated its 100th birthday; President Reagan met with Gorbachev in Iceland to talk about a nuclear arms freeze; the Mets won the world series; the Chicago Bears won the Super Bowl; comedians joined forces to help the homeless in America; and 1986 was the first year we officially celebrated Martin Luther King, Jr.'s birthday.

1986 was the year groups like the Monkees, the Moody Blues, ELO, and Steve Winwood decided to make as their come back year. People like Maria Shriver, Caroline Kennedy, Bob Geldof, Heather Locklear, Sarah Ferguson, Diana Ross, Tatum O'Neal, and Debra Winger chose 1986 as their wedding year.

1986 will probably go down in the history books as being a year better left forgotten but we should remember all the good that was done in 1986.

# A Wild and Crazy Staff

Many people do not realize all the work that goes into the making of a yearbook. This year's staff put many long, hard hours into the making of this yearbook.

Our thirteen member staff, six returning and seven new, gave it their all to try to show things about Shrine High that were different or out of the ordinary, going along with our theme, "Off the Wall". We knew we'd have our work cut out for us but we also knew we could handle it. Mrs. Megan Davidson, the new Moderator, was a great help to all the staff members. She allowed us to make the changes we felt were necessary to make the book appeal to the whole sudent body. We had a lot of fun making this Yearbook. Yearbook can either be a English credit or an elective.

Aside from all the work involved with Yearbook, it is great fun to be involved with the production of a Yearbook.

JUNIOR DAN CALLANAN carefully explains the concept of a Quiz Bowl match to Junior Amy Barnes.

SENIOR KATIE DRUEKE and Amy Massucci listen intently as Yearbook Advisor Mrs. Megan Davidson goes over the upcoming deadlines.

SELECTING THAT "JUST right" picture for her layout is Junior Kris McArdle.

SENIORS BETH BEAUFORE and Scott Burt take time out of their hectic schedules to attend a staff meeting. Both Scott and Beth take Yearbook independently.

DESIGNING THEIR LAYOUTS are Seniors Anna Burns, Jackie Klein, and Laurie Staudenraus. Working together is essential in Yearbook.

DILIGENTLY WORKING ON her assignment even without pictures is Senior Jennie Schilling.

HELPING SENIOR CELESTE Friedman with her headlines is Senior Editor Judy Converse. The Editor must always be available to help the staff.

# Observer Staff Provides Info

The Observer staff of the 1986-87 school year was composed of many talented writers.

Jill Davidson, editor, said, "The goal of the Observer is to make the news of Shrine High School interesting as well as informative and humorous. We hope to give outsiders (parents, alumni, etc.) a good view of what Shrine is really about."

With the help of Mrs. Valerie Barnes, moderator, the paper was funded by doughnut sales, bagel sales, and advertising. This year, the Observer was mailed the students homes as well as given out in school.

This year the Observer received a special award. The Columbia Scholastic Press Association gave the staff a first place rating for their excellent style and writing in past issues.

# "Just For Openers" Opens Up

"Four weeks you rehearse and rehearse, three weeks and it couldn't be worse, one week will it ever be right? Then out of the hat, its that big first night." These words from the first chorus number of Shrine's spring musical, "Just For Openers" describe the show company's experience in a nutshell.

"Just For Openers" was a Musical revue performed by selected Shrine students on May second, third, and fourth, 1986. The show auditions took place in late March and the company practiced throughout the month of April-four weeks. The practices were long and hard; the performers were dedicated and their hard work paid off in the end result, a great show.

The show could not have been a reality if not for the incredible zeal and dedication of the show's director, Ms Mary Rashid, Ms Rashid was assisted by Mr. James Sergus choreographer; Mr. Thomas Skut, drama coach; Mrs. Janet VonEberstein, instrumental music director; Ms. Eileen Schroll, vocal music director; and Senior Kathleen Wilds, student director.

No show can possibly go on without the hard work of the stage crew. Working hard behind the scenes were Junior Jennifer Savage, stage manager; Mr. Thomas Burke and, Mr. Patrick Koda, lighting and sound designers and technicians; and Senior Jane Sanders, set, poster, and program designer. Other people who contributed their valuable time and effort were Ms. Mary Francoeur, Mrs. Mary Andrecovich, Mrs. Mary Kirkwood, Ms. Lisa Surbrook, and Mrs. Megan Davidson.

Thanks to the dedication and hard work of all these people and of the performers; "Just For Openers" was a very successful, exciting show featuring the opening numbers from musical favorites such as: "Hello Dolly" "Oklahoma", "West Side Story", and "A Chorus Line". The show was a wonderful, entertaining experience for all those who were involved, and that's "Just For Openers!"

THE PLAY "THOSE Damn Yankees" comes alive on Shrine's stage as Juniors Mike Serapiglia, Brad Wilson, and Kevin McKale, Senior John LaCroix, Sophomore Chris Burke, and Freshman Mark Chennault perform the number, "Six Months Out of Every Year."

"WHEN YOUR A JET your a Jet all the way!" Shrine's own Jets sneer menacingly at the audience as they perform the opening from "West Side Story."

JUNIORS MAY BARIAS and Mark Phillips perfectly portray a love struck couple in the number "Company" from the musical of the same name. What a cute couple!

THE STAGE SETS consisted of numerous doors, derived from the name "Just For Openers" Senior Jane Sanders, an accomplished Shrine art student did a great job on all the sets.

"WHATAYATALK!" EXCLAIMS JUNIOR Jennifer Trewern as she and other selected members of the company perform the opening scene from the musical "Music Man"

DIRECTOR MARY RASHID demonstrates to the cast the correct way to receive instructions, that is, with your lips pressed firmly together!

"OH FOR GOD'S sake, John-sit down!" Juniors Kevin McKale, May Barias, and Anna Burns perform "Sit Down John" from the musical "1776."

# Homecoming Spirit Shared by All

The 1986 Homecoming activities started on October 3rd with the annual 50's day pep-rally. At this pep-rally the Queen and her court and the King and his court were announced. The week went on filled with many different spirit activities including relays and pie eating competitions. The Seniors took first place over-all in the competitions for the fourth year in a row. The Juniors won the float building contest which was a whole different competition.

The Shrine Knights defeated the U of D Cubs in the homecoming game. This was a victory for all. To end the week the Senior class sponsored a Homecoming dance to celebrate all the activities that took place. The dance was a success and enjoyed by everyone who attended.

THE MEMBERS of the 1986 Homecoming court: Erica Hooper, Karen Kimmel, Amy Massucci, Dolores Krygier, Queen Jennifer Savage, King Steve Quade, Chritopher Nelander, Patrick Kirkwood, Wesley Brooks, and T. Scott Burt.

SENIORS MAUREEN Murphy, Julie Milosch, Marnie Sanders, Peggy Bauser, and Molly O'Loughlin enjoy their last homecoming dance at Shrine.

THE CROWNING finish of Homecoming was the defeat of the U of D Cubs, 35-0.

SENIORS STEVE Quade and Jenny Savage were crowned Homecoming King and Queen during half-time activities at the Homecoming game.

QUEEN JENNY Savage was escorted to the dance by Senior Mark Phillips.

# S.L.E.C. Stands For Involvement

S.L.E.C.-No, this was not a new African or a revolutionary army in Middle America. This was Shrine's student leader group - Student Leadership Executive Committee. The main objective of this group was to make decisions on behalf of the student body act accordingly on the basis of these decisions.

The S.L.E.C. Board consisted of all Shrines student leaders - "the movers and the shakers" Heading up the committee, under the direction of Moderator Miss Mary Rashid was newly insituted leadership board. This board consisted of President, Senior Permella Weaks; Vice-president/Public Relations head, Senior Jennifer Savage; Secretary, Sophomore, Renee Gates; and Treasurer, Junior Kris McArdle. The executive committee was made up of the leaders from each area of school activity: The National Honor Society officers, the Band President, the Choir President, a S.A.D.D. representative, the Varsity Cheerleading captains, the Editors of the *Observer* and *Spirit,* and the five class officers from each class.

S.L.E.C. met once a month on a regular basis and had additional meetings when necessary. But what exactly did they discuss?

As Senior class President Jennifer Savage put it, "basically, every thing students were involved in." That meant school issues like: Homecoming, Welcome Week, dances, the annual auction, dress-up days, SADD., the Blood Drive, the annual food drive, and much more. They also discussed problems such as cafeteria clean-up, dress code, and parking lot violations.

S.L.E.C. worked hard to keep Shrine students informed and to keep extra-curricular activities running smoothly. The community certainly helped keep peace and harmony within Shrine's walls.

**S.L.E.C. MODERATOR MS. Mary Rashid takes time out of her busy schedule to help plan S.L.E.C. activities. The students appreciate her help and input!**

**MANY STUDENTS HELPED out in this year's auction through S.L.E.C. involvement. The valet parkers worked hard all through the evening.**

**AT A S.L.E.C. meeting Senior members Kevin Smith, Pat Kirkwood, and Ericka Hooper listen intently.**

CAMPUS MINISTER MRS. Marsha Miller and Senior Parick Llywellan both contributed to the auction by helping out with the valet parking. Mrs. Miller moderated and Pat parked.

SENIOR DIANA DALTON reaches down to get a car key for a waiting guest after the auction.

MR. JAMES WEIDMAN, Shrine's new Development Director, discusses the budget and its role in planning S.L.E.C. activities.

S.L.E.C. MEMBERS REALIZE the great importance of the decisions made by this committee. This is evident in their serious attitude at meetings.

# 1986 Hoot Brings Down The House

The 1986 Hootenany was an outstanding success due to the many talented individuals who participated in it including the stage crew, act, Mrs. Rashid, and all those who came to enjoy the show." The audience found this years' "Hoot" an original, which kept them entertained for hours. There was an interesting variety of acts; such as a jazz dancer, a ballet duet, and a bicyclist, among the many volunteers from every class. Thanks to the great team work, this year's Hoot was a show to remember.

After "The Four Juniors" were a big hit last year, "The Four Seniors" keep away the winter blues with "Summertime".

A VERY MOVING act by Senior Jenifer Trewern and Junior Brian Toggweiler keeps the audience intrigued.

WITH ADVENTURE IN their eyes, these three Freshmen, Erin O'Shea, Laura Bell, and Joy Bologna, prepare for their turn in the spotlight.

After years of practice, Senior May Barias gives her classmates a chance see one of her favorite pastimes.

Freshman Jason Gault shows off his bicycling skills to keep the audience on the edge of their seats.

Performing to a Pat Benatar song, Kristin Donahue, expresses her talent for singing.

Hosting the 1986 Hootenanny, Seniors Chris Neiander and Tina Thomas, introduce all of the exciting acts with style and wit.

After all the anxiety was over and the hard decision was made, Kristin Donahue was announced the winner of the "Hoot."

# The National Honor Society Show's Leadership

This past year at Shrine, those students who had shown outstanding quality in the areas of scholarship, leadership, service and character were invited to join the ranks of the National Honor Society. To qualify, a student must have maintained a 3.2 grade point average, or better. Those students were then examined by staff members in the areas of service, character and leadership. Students maintained their membership by turning in service points. The National Honor Society was moderated by Mrs. Jackie Calanan and Mrs. Marge MacDougall.

# Prom Enchanted All Who Attended

The 1987 Junior/Senior Prom was held on Saturday, January 31. The semi-formal dance was at the Birmingham Community House in Birmingham. As a special good-bye to the Seniors, the Junior Class arranged it so the Seniors wouldn't have to pay admission into the dance. The fun started at 8:00 p.m. and lasted until 12:00 p.m. Couples enjoyed dancing to the music played by the dee-jay. There was, also, a photographer there to capture the memories of the special evening. The theme for the Prom was "A Winter Wonderland," which was appropriate for the early winter month of January. All the hard work and preparation for the Prom was done by the Junior Class officers and moderators.

COUPLES ENJOY a slow and soft pace at the dance.

# Quiz Bowl Excels in Meets

In 1985 Shrine High started an academic competition in game format called Quiz Bowl. This activity was carried over to the 1986 season. There were turnouts held in September. Practices were held three times a week and the team worked very hard to achieve such a successful season. The team was invited to the Metro Suburban Match, which was a great honor. The squad placed 13th out of 20.

With the help of the leadership of Senior Captain Jim Putvin the team finished the season with a superb record. Co-moderators Mrs. Gloria Kaczmarek and Ms. Gloria Wesley also provided much of the needed leadership. Unlike the 1985 squad, this year's squad was one team, comprised of eight members. By having one team, the members unified and were able to defeat many of their toughest opponents.

The 1986 Quiz Bowl Team: FRONT ROW: Freshman Stephanie Henold, Sophomore Amy Klipp, Sophomore Kara Krenitsky Junior Mary O'Keefe, Junior Tamara Stanko BACK ROW: Ms. Gloria Wesley, Freshman Chris Ozias, Senior Jim Putvin, Junior Sean Stewart, Ms. Gloria Kaczmarek.

# Shrine Students Go Off The Wall.

When Shrine High School's student body needs to be "fired up" for an athletic event or special activity, the cheerleaders are called upon to create spirit. With the upbeat sound of the pep band, the cheerleaders' routines, speeches by the team captains and zany announcing by faculty teachers, pep rallies during activity period are a great tradition at Shrine.

Mr. Gary Hicks, Mrs. LeeAnn Louis-Prescott and Mrs. Meghan Davidson prove to be three of the favorite M-C's. Who will ever forget Mr. Hicks famous chant, the cheerleaders skit "A night before Foley", the pie eating contest between the classes, women domination over the men, dancing by Deporres "midgets", the traditional teaching of the victory cheer to the freshmen by Mr. MacDonald, and Mr. Kirkwoods annual announcing of the homecoming King, Queen and court.

Shrine High School prep rallies tend to be a little off the wall. This year new addition of boys to the squad added alot more spirit among the crowd. Pep rallies wouldn't be as successful as they are if it wasn't for Mrs. Barnes, and the cheerleaders who put a lot of thought and planning into each pep rally.

# The Class of '87 Strives for Unity

The Senior Class of 1987 will long be remembered. We have come a long way; we have grown from 175 diverse freshmen into one unified Senior Class.

We do not need to list all of the great things we have accomplished to know how incredible we are. Although achieving the victorious first place position each of the four Spirit Weeks of our High School career is definitely something to be proud of, it is not the only thing that makes us so uniquely outstanding. Through the years we have proved again and again that we are the most spirited class to hit Shrine.

I am glad I have had the opportunity to serve this class. However, I hope that this service will not end at graduation. I hope that we all remain involved with Shrine and with each other.

Thanks to the great unity, spirit, and hard work of each person in the Class of '87, we have had four successful and memorable years at Shrine! And now we face the world . . .

# Seniors Are Off The Wall

Spirit week is a time for fun and competition, and when the class of 1987 thinks of it they think of success. This year's seniors have won spirit week for the past four years that they have attended Shrine. When the class of 1987 leaves Shrine High School they will leave with the feeling of accomplishment; which in result brought their class closer together.

Many students choose to take an English or psychology class their Senior year. These classes are offered through Oakland Community College. By taking these classes, a student can earn college credits which tranfer to most Michigan colleges and universities. These classes met two times a week, either Monday and Wednesday or Tuesday and Thursday. The classes began at 8:00 AM and usually run to approximately 9:00 AM. There are three teachers who came in from Oakland Community College to teach these classes. They are Mr. Kelly, Mr. Shaw, and Mr. DeAchille.

These classes really have given Shrine Seniors a head start in their college careers.

**GETTING PSYCHED-UP for their OCC Psychology class are Seniors Beth Beaufore and Julie Milosh.**

Many special things happen senior year. One of those is Seniors gain their right for off-campus privileges. This is a much waited for privilege. Off-campus allows students to leave school grounds after third hour providing that they have the hour free. There are certain rules that must be followed and if violated will result in loss of privilege.

DAN "QUIZ BOWL KING" CALLANAN and JUDY "DEADLINE QUEEN" CONVERSE

TO THE READER:

My Sophomore year, I took the hardest class I've had at Shrine— Intro to Yearbook. I almost didn't make it through it but thanks to the former Miss Francoeur, I did. And I was on to bigger and better things. Being editor was no piece of cake. The many all-nighters the night before a deadline can get to even the most stable person after a while. But I really think that if given the chance, I would do it all over again. I mean, after all, it does look good on college applications.

Now, for all the thank you's. A big one goes to all the people at Life Touch who helped out more than they will probably ever know.

Another big one to all the Walsworth people who were able to make something out of our work. Lorraine Miller really was a God-send with all her help in the opening section and answers to our last minute questions. The people at F-Stop in Berkley are also greatly appreciated for all the help they gave us. I also must thank the former Miss Francoeur for giving me the chance to semi-head the greatest staff an editor could have. I know they really wanted to get all their layouts in by the assigned deadlines. I know they tried really hard to get the pictures taken. The important thing to remember is that we had a great time putting this book together. We all have memories that we'll still laugh about many years from now.

The next two people are also partly responsible for this book—Mr. MacDougall and Mr. MacDonald. They both tolerated a lot of my class skips for "Yearbook business". I promise them that those skips were legit. And I also must thank the teachers of the other staff members for the same reason !

LAURIE "STAIRS" STAUDENRAUS

JUST CELESTE

KATIE "TAKE MY PICTURE" DRUEKE

SCOTT "THE BOY" BURT and AMY "BROWN NOSE" MASSUCCI

KRIS "SHINE ON" McARDLE

Now, for my family and friends. They all put up with a lot of my "I'm going to miss the deadline" moods. They all were wonderful with all the support and encouragement they gave me. And I need to thank my Dad for the use of the car to attend our infamous lab nights. Dad, we really did try to get *YEARBOOK* done there.

Lastly, I need to thank Megan Davidson. She really did a fantastic job as moderator coming in with no Yearbook experience. She really is a classy lady with a lot of trust and a high level of tolerance in her. As Albert Einstein said, "Imagination is more important than knowledge." Megan Davidson trusted our imaginations in trying to portray Shrine as "Off the Wall". The staff really had to work hard but I reallly think we succeed.

I wish the best of luck to my successor and I hope the 1987-88 Spirit staff has as much fun as we've had.

I really haven't got
to know u that well,
but as far as I can tell
you are a very nice person.
I wish the best for you
in what ever u do.

Bye
mark!

Mark
We've known each other
too long. Now you're
graduating and going
to college and we'll won't
see you anymore. How
priviliged can I get.
I know I will see
you this summer.
we'll hang I'm not
hang w/ any of your
weird friends.
I'll call you

Jeff Sara

Good Luck
